

Carnegie Mellon University Science Olympiad Invitational 2020 Location Guide

Below is a guide of the buildings that will be in use during our invitational. We hope this will be of use as you are moving around our campus. The abbreviations shown next to each building name reflect the key on the Room Schedule document. We have also linked all coaches to maps of the campus, and we will be available by phone or email all day (see our contact sheet for that information). Additionally, if you see a volunteer in a Science Olympiad sweatshirt, they will be happy to direct you to wherever you need to go.

DOHERTY HALL (DH)

Doherty is located in the center of the campus, directly adjacent to “The Fence”, which is shown in this picture. The Invitational rooms in Doherty will be on the first or second floor. When you enter, you will be on the first floor; if you walk straight down the corridor, you will find the main staircase that takes you upstairs to the second floor.

THE JARED L. COHON UNIVERSITY CENTER (CUC)

Street Entrance

Campus Entrance

The UC street entrance is located on Forbes avenue. The campus entrance is visible from the middle of campus, if you’re standing at The Fence or outside of Doherty Hall.

HUNT LIBRARY (HL)

Hunt Library is located on the opposite side of The Fence as the CUC is. Doherty Hall is essentially right in between Hunt and the CUC, if that's helpful for your bearings.

WEAN HALL (WEH)

Wean Hall is located behind Doherty Hall and directly across from Porter Hall. When you enter at the entrance shown (under the concrete awning), you will be on the **5th Floor**. Take the front elevators up or down if you need to get to other floors, or look at the signage on the walls next to the elevators to find the wing numbers for 5th floor Invitational rooms.

HAMERSCHLAG HALL (HH)

Hamerschlag Hall is located right next to the above entrance of Wean Hall. If you exit Wean under the large concrete awning, you will immediately see it. When you enter, you will be on the first floor. Walk down the corridor all the way to the back and you will find stairs; take the stairs down one flight to get to the A level.

PORTER HALL (PH)

The best Porter Hall entrance to use is the one located **directly across from the Wean Hall entrance and next to the Hamerschlag Hall entrance shown above (not specifically pictured)**. Continued on next page.

Walk directly past Hamerschlag Hall from Wean and you'll find that entrance. When you use that entrance, you will be on the **A level of Porter**; all the Invitational rooms in Porter will be located on the A level.

SCAIFE HALL (SH)

Scaife Hall is located behind Porter Hall. If you enter Porter through the A level, walk directly down the corridor out of the other side of Porter, and make a right turn down the street, you will find Scaife Hall. Immediately when you enter, there should be stairs next to the door that will take you to the second floor.

THE TEPPER SCHOOL OF BUSINESS BUILDING (TEP)

The Tepper School of Business is located across the street from the street entrance of the University Center on Forbes Avenue. When you enter, you will be on the **second floor**.
